Level 3 Foundation Diploma in
Higher Education Studies
– Online

AIM
for the next step
in your Career

Overview

The objective of the **OTHM Level 3 Foundation Diploma for Higher Education Studies** is designed to ensure that each learner is equipped with knowledge of study skills, mathematics, computing, society and culture, business and accounting, providing the knowledge and skills to adapt rapidly to change and progress with their learning. Successful completion of the Level 3 Foundation Diploma for Higher Education Studies provides learners with the opportunity to progress to further study or employment..

OTHM qualifications at RQF Level 3 represent practical knowledge, skills, capabilities and competences that are assessed in academic terms as being equivalent to GCE AS/A Levels.. Successful completion of OTHM Level 3 Foundation Diploma for Higher Education Studies provides learners the opportunity for academic progressions to a wide range of undergraduate programmes including OTHM Level 4 diplomas.

You will join a global and diverse group of participants in the discussion boards where you share your perspectives on the issues being discussed with other participants and seek their views. The programme includes case studies and examples.

Who is this program for?

The objective of the OTHM Level 3 Foundation Diploma for Higher Education Studies is to provide learners with a foundation to provide an entry route to UK and international university courses.

ABOUT Aimtechnology.mu

Aimtechnology.mu is an online education platform specialized in delivering Short term courses, Webinars, Online events and University pathway programs for students and working professionals across the world. Our programs stand out with its meticulously designed course structure, content and easy to follow presentations.

PROGRAMME HIGHLIGHTS

The programme includes video lectures, discussions, live online teaching sessions and assignments. We expect participants to dedicate 12 – 16 hours per week over the 9 to 12 months of the programme. The programme is organised around 6 key areas of business management.

Qualification Structure

The OTHM Level 3 Foundation Diploma for Higher Education Studies consists of 6 mandatory units for a combined total of 120 credits, 1200 hours Total Qualification Time (TQT) and 600 Guided Learning Hours (GLH) for the completed qualification..

Syllabus

Mandatory Units
Academic English and Study Skills
Foundation Mathematics
Foundation Computing
Society and Culture
Introduction to Business
Foundation Accounting and Economics

Entry Requirements

- OTHM Level 3 qualifications can be offered to learners from age 16.
- OTHM does not specify entry requirements for these qualifications.
- OTHM ensures that learners admitted to the programme have sufficient capability at the right level to undertake the learning and assessment criteria.
- OTHM Centre must ensure learners are recruited with integrity onto appropriate qualifications that will meet their needs, enable and facilitate learning and achievement enable progression
- The qualification is offered in English.
- English requirements: If a learner is not from a majority English-speaking country must provide evidence of English language competency.

Equivalences

OTHM qualifications at RQF Level 3 represent practical knowledge, skills, capabilities and competences that are assessed in academic terms as being equivalent to GCE AS/A Levels.

Assessment and Verification

All units within this qualification are internally assessed by the centre and externally verified by OTHM. The qualifications are criterion referenced, based on the achievement of all the specified learning outcomes.

To achieve a 'pass' for a unit, learners must provide evidence to demonstrate that they have fulfilled all the learning outcomes and meet the standards specified by all assessment criteria. Judgement that the learners have successfully fulfilled the assessment criteria is made by the Assessor.

Progressions

Successful completion of OTHM Level 3 Foundation Diploma for Higher Education Studies provides learners the opportunity for academic progressions to a wide range of undergraduate programmes including OTHM Level 4 diplomas.

Q&A Sessions and Discussions

We don't just give you the theory; we ensure you learn how to apply it in your working life immediately, with case studies, webinars, business simulations, and 100% project based.

Supporting our Online Learners

We support our students' learning online, whether they are based in the UK or anywhere in the world. You will have access to a wide range of support and resources during your studies, including: **Course tutor/ Student Support team and Module Leaders**

Throughout the duration of your studies, you will have access to a dedicated course tutor/customer success team. Your Course Tutor/Student Support team will oversee your studies and ensure that the resources are in place to deliver the programme effectively. Your student support team team will support you if there are personal issues or if there are problems that your module tutors cannot resolve.

You will also have **Module Leaders** will be able to help you with specific queries about the modules on which you are enrolled. This is the person to consult if you have specific study difficulties with the module, for example, you might not fully understand the assessment requirements for the module, or have difficulties in obtaining reading material.
